

Amateur Radio Technician License Classes

Anyone can become a licensed amateur radio operator!

**The Denton County Amateur Radio Association will be hosting a
Technician Level Course:**

When: February 11th 2012 from 8am to 5p and
February 12th 2012 from 12pm to 5pm

Where: Denton County EOC 9060 Teasley Ln.
Denton, Texas 76210

Instructor: Extra Class Licensed Operator Allan Batteiger
Email: arb@rtsi.com
Cell: 972-672-0278

**To enroll in this class go to <http://www.wb5qng.org/inforequest.html>
and fill out the form**

- The class is taught over a two day period.
- There is a \$55.00 fee which covers the cost of the ARRL License Manual and License Exam.
- Class size is limited to 30 students.

There is no age limit. A technical background is NOT required. You don't even need to learn Morse code!
